Or select one topic for a meatier conversation.

STRENGTHENING DEMOCRACY

- If you could magically add one amendment to the Constitution, what would it be?
- What's one thing our democracy should have that it does not have right now?

MODELING ADVOCACY

- Who's a person you admire for creating positive change on a small scale—in your workplace, your school, your neighborhood, etc.? How did they do it?
- What's one way you are putting your values into action?

AND FINALLY...

- What do you want future generations to know about this moment in our nation's history?
- What makes you hopeful?

BUILDING COMMUNITY

- When have you had meaningful interactions with people who hold different views? What made those exchanges successful?
- What's an issue that most of your neighbors would agree on?

JUST FOR FUN...

- If you could pick a new national anthem, what would it be?
- What new July 4th tradition do you think we should adopt?

We're working to build a democracy that works for everyone, and that starts with thoughtful discussion. Continue the conversation by sharing your ideas, hopes, and questions in our Beyond 250 online survey!
