Good Morning JAD IMA, a couple of things below.

1. We are seeking a one-year activation for an O-3 or O-4 reservist to serve in the Quantico TSO office. Please email me directly for more information and feel free to share the opportunity with anyone you think might be interested, including IRR marines or those who recently left active duty.
2. We are still seeking one IMA reservist to support the Marine Corps Marathon on October 26th in the Runners Village. It appears to include a free t-shirt. Anticipate

using 2 drills for this. Please let me know if you can support by replying to this email.

3. Henderson Hall is conducting its quarterly IMA training this Friday (they do it the second Friday of the last month of every fiscal quarter, so Dec, Mar, Jun, Sep). You can do it in person or virtually. More information attached.
4. CFT season is upon us. H&S Battalion CFT Schedule is attached. JAD schedule/signups still have not been created yet, but I will forward them when I have them. Ht/Wt is an annual requirement, so don't forget to do that with your CFT if you haven't yet.

Thank you to everyone who expressed interest in the temporary immigration judge opportunity. We still do not have more information on location or other important details, but I will communicate it when I have it.

If you need help with anything or have any questions, please reach out.

Good Afternoon,

I currently administratively oversee the 4402 Reserve Community at Judge Advocate Division.

Judge Advocate Division is seeking volunteers, beginning this fall, to serve as Temporary Immigration Judges detailed to DOJ. Volunteers will receive all necessary training and education for the job from DOJ.

We do not yet have information on the exact locations or if virtual is an option, we are simply soliciting interest.

Requirements are that you possess a JD from an accredited law school, are an active member in good standing of a state bar or DC, and ideally that you have experience in administrative law, immigration law, as a judge, or in a related field. However, the absence of this experience is not disqualifying. The most important criteria is a record of sound judgment, legal expertise, analytical ability, wisdom, discernment, professional demeanor, strong written and oral communication skills, and impartiality.

Please respond with your RQS/resume by noon EDT on 4 September if you are interested. I can be reached at the number below or through this email address with any questions.

Respectfully Submitted,

You won't need any coordination with me (although it might be helpful to keep me cc'd so that I can make sure the paperwork is going through), Henderson Hall owns it.

If either of you would like to extend and continue the work, please let me know at least 60 days out so we can get that process rolling/figure out the feasibility.

Good Afternoon,

Judge Advocate Division has the following two voluntary activation opportunities available. Please reply to me directly via with any questions or interest. You can also call me at (b)(6), (b)(7)(C)

1. Southwestern Border Special Assistant United States Attorney O-3/O-4/O-5/O-6

The selected applicant will serve as a SAUSA on the Southwestern Border, most likely southwest Texas or New Mexico, on 179 day ADOS orders. All ranks may apply. Responsibilities are expected to be immigration related. Contingent upon funding, orders will begin in early to mid-October. To apply, please respond directly to this email with a resume and a statement of interest. The individual(s) can expect to be selected within the next week and replies received before noon EDT on Friday the 19th are more likely to be successful.

2. Quantico Trial Services Organization Attorney O-3/O-4

The selected applicant will serve as a trial counsel in Quantico, VA, on one-year Active Reserve orders. Responsibilities will include representing the government in courts martial, boards of inquiry, and administrative separation boards. Start date is flexible, but sometime this fall. To apply, please respond directly to this email with an RQS and a statement of interest.

Thank you to everyone who applied to be an immigration law judge. We had a large amount of interest and that process is in the final stages of selection. If you have not heard from me on that in the last week then you are not in the final pool of folks being considered for that opportunity, but there is a good chance that there will be another opportunity to apply further down the line.

Judge Advocate Division is seeking volunteers, beginning this fall, to serve as Temporary Immigration Judges detailed to DOJ. Volunteers will receive all necessary training and education for the job from DOJ.

We do not yet have information on the exact locations or if virtual is an option, we are simply soliciting interest.

Requirements are that you possess a JD from an accredited law school, are an active member in good standing of a state bar or DC, and ideally that you have experience in administrative law, immigration law, as a judge, or in a related field. However, the absence of this experience is not disqualifying. The most important criteria is a record of sound judgment, legal expertise, analytical ability, wisdom, discernment, professional demeanor, strong written and oral communication skills, and impartiality.

Good Afternoon,

I currently administratively oversee the 4402 Reserve

Community at Judge Advocate Division.

Judge Advocate Division is seeking volunteers, beginning this fall, to serve as Temporary Immigration Judges detailed to DOJ. Volunteers will receive all necessary training and education for the job from DOJ.

We do not yet have information on the exact locations or if virtual is an option, we are simply soliciting interest.

Requirements are that you possess a JD from an accredited law school, are an active member in good standing of a state bar or DC, and ideally that you have experience in administrative law, immigration law, as a judge, or in a related field. However, the absence of this experience is not disqualifying. The most important criteria is a record of sound judgment, legal expertise, analytical ability, wisdom, discernment, professional demeanor, strong written and oral communication skills, and impartiality.

Please respond with your RQS/resume by noon EDT on 4 September if you are interested. I can be reached at the number below or through this email address with any questions.

Respectfully Submitted,

Subject: ACMC Legal Update
Date: Monday, September 8, 2025 9:14:00 AM

Good Morning Gentlemen, I looked at the last ACMC update and the below is what we sent. It combines the SAUSA and ILJ pieces. Do you want me to keep them combined and just update the ILJ section, or do you want me to break ILJ out into a new section?

Legal Support to the Department of Justice (DOJ)

-
• **Detailing of Judge Advocates to DOJ as Special Assistant United States Attorneys (SAUSAs)**

- On 18 August, the US Attorney for the District of Columbia requested 20 attorneys from the Department of Defense to serve as SAUSAs, supplementing surge operations pursuant to the President's Executive Order "Declaring a Crime Emergency in the District of Columbia."
- Two active duty, company grade Marine Corps judge advocates reported to the US Attorney's office on 25 August and are currently undergoing initial SAUSA training. They are joined by 18 judge advocates from the other services and two Drug Enforcement Agency attorneys.
- SAUSAs are expected to prosecute misdemeanor general crimes and misdemeanor domestic violence with a case load of approximately 100 cases per attorney.
- The non-reimbursable detail is expected to last until 1 May 2026.

• **Detailing of Judge Advocates to DOJ as Immigration Judges**

- On 20 August, the DOD Office of the General Counsel provided a draft (b)(5)

- The draft (b)(5) directed the services to (b)(5)

- Subsequently the DoJ submitted an RFA seeking 600 Judge Advocates, in tranches of 150, for a six-month detail. That RFA has not resulted in a new draft OSD memo yet, but it is expected that each (b)(5)

- JAD's position is that (b)(5)

- In anticipation of tasking, Judge Advocate Division identified 118 active duty and reserve judge advocates screened as military judges or possessing 4452 AMOS (denoting 72+ months experience in military justice).
