# Personnel Responding: 4	On-scene Commander: Officer Kevin Devoe

#### *Call-out Summary:*

Assist and support Melrose PD/Melrose HS/Melrose MS with controlled entry for bomb threat found on 9/24/2013. Officer Kevin Devoe, Sgt Bob Kennedy, Officer Manny Costa, and Ed Russo responded.

#### *Events/Items of Note:*

Entry to each school was allowed only through their respective main entrances. Bags were checked upon entry, everything worked well and there were no issues. It was

observed that very few students had shown up for school this day, attendance was estimated at only 1/3 of the student population. Supt. Taymore advised us that she had received one complaint from a parent regarding the lack of information she received from both the schools and the police dept. It was pointed out that the large number of students that did not show up for school today could be cause for concern and that hearing the phrase "bomb threat" could trigger some fears in the aftermath of the Boston Marathon Bombings. It was recommended that the voice recorded message being sent home should include information regarding counselors being available to anyone who feels they would like to speak with them. Prior to leaving the scene the Melrose PD had a couple of leads they would be following up on. I advised Chief Lyle that if he needed further STARS assistance or if the STARS CRT was needed for support he could contact me.
