WHS 1:1 - Student Laptop Drop-off

All students must turn in their laptop after their Science Final on Friday June 19th.

OR

Bring their computer to the Library Media Center on Thursday, after their last exam.

FY16 - \$66 Laptop Maintenance Fee

Each year we evaluate the most cost effective way to fund computer repairs. This year we have selected the Worth Ave. Group as an Insurance provider for the school-leased student MacBook Airls. We have selected this coverage to facilitate anticipated repairs to computers and chargers. This year's Maintenance Fee offers our families full coverage on laptop repairs, theft and accidental damage.

We strongly advise that you purchase this coverage to protect your student's device against: cracked screens, liquid spills, theft, vandalism, fire, flood, other natural disasters and common computer repairs, as listed in the table below. Charger repair is also covered, as is replacement if stolen. If a charger is lost, the replacement cost is \$76. The cost for this insurance is \$66 and can be submitted online at the link below.

Payment for FY16 Maintenance Fee should be completed by August 1, 2015.

Preferred check or credit card payment method is online: [UNIBANK ONLINE PAYMENT LINK](#)

Checks made out to Wayland Public Schools with STUDENT NAME, STUDENT ID., and GRADE can also be mailed to:

 41 Cochituate Road
 Wayland, MA 01778

If you choose not to purchase coverage for your student's device, you are liable for all damages done to the MacBook Airls while in your student's possession. Example repair costs include Full computer replacement \$699, Motherboard, \$699, LCD Display \$450, Top Case \$350, Battery \$179, Track Pad \$105 and Charger \$76. You must submit the [Liability Waiver Form](#) when you pickup your computer if you choose not to participate in the Laptop Care and Maintenance Fee.
