

Millis Public Schools – iPad Take Home Permission Form

Student Name: \_\_\_\_\_ Grade: \_\_\_\_\_

General Guidelines:

The iPads are issued to students as an educational tool and should primarily be used in that capacity. Students and families are responsible for any costs associated with repairing or replacing an iPad and accessories, which are damaged, lost or stolen.

Security:

- Students are responsible for the security of their iPads at all times. Any damage, loss or theft must be reported to school and technology staff immediately. And if necessary, to the local police.
- iPads are issued and registered to an individual student. The student is responsible for their assigned iPad at all times.
- For security reasons, students may use a Passcode on their iPad.
- Parents/Guardians will have the right to access their child’s login credentials.
- NOTE: CIPA Compliant Internet Filtering and Monitoring is available within our school network, but is NOT available for home use. It is the sole responsibility of the parents/guardians to monitor and filter their home network.

Responsibilities:

- Costs for replacement and/or repairs due to damage, negligence or theft that occur to the iPad while it is assigned to the student are the sole responsibility of the undersigned parent/guardian.
- If the iPad is stolen while assigned to you, the theft should be reported to the local police authorities and to Millis School personnel immediately.
- The iPad, case, cable, and power adapter must be returned in good condition, and in working order at the end of each school year.
- The iPad, case, cable, and power adapter must be returned to the school if the student is no longer enrolled at the school.
- Students will not be able to print from their iPads in school.
- Students are responsible to charge their iPad while at home for use in school the next day.
- Students are responsible to bring their charged iPad to school each day.
- Personal use of the iPads in school should be limited and only allowed with teacher permission.
- Estimated costs for a lost, stolen, or damaged iPad and/or accessories:
  - Full replacement cost of iPad IV - \$400
  - Power Adapter and Syncing Cable - \$40
  - iPad Case - \$50
  - Costs for various repairs - \$140 - \$220

**OPTIONAL INSURANCE:** The district has arranged an option to purchase iPad insurance from Worth Ave Group. Information regarding coverage, premium, and application are on separate sheet.
