Wayland Public Schools 1:1 Research - Always on Access 2012 - 2013 (FY13)

Welcome to our 1:1 collaboration site for the Wayland High School 1:1 learning initiative. This site will be used to share and communicate research, data, experiences and challenges around the implementation of 1:1 learning in our District.

Goals and Objectives

To put technology into the hands of our students consistently and ubiquitously to provide and support a rigorous and stimulating academic environment that promotes acquiring knowledge and skills that will enable our students to grow into principled, informed, and capable citizens who will help guide a democracy that follows humanitarian principles in the global forum, and shape a just society where individuals may reach their full potential.

FY13 - Student 1:1 Laptop Initiative

- Provide every high school student with the best resources to excel in all curriculum areas embedded with rich communication, collaboration, critical thinking and creativity skills
 - A computer
 - Software applications for robust content creation
 - Digital content for instruction and remediation
 - Computer maintenance and support
 - Computer OS management skills
 - Home to school connections

School Committee Presentation - June 6, 2011

First Year Goals:

Teachers will:

- Build an online presence through a web-site or our learning management system, *its learning*.
- Incorporate tools such as blogs and wikis into classroom exercises.
- Begin posting curriculum objectives, goals and

material online.

Students will:

- Have access to class materials outside of the classroom and school building.
- Experience increased communication and collaboration with teachers and peers.
- Build Information Literacy Skills (how to locate, evaluate, assimilate , and credit sources)
